## American Olympic Poster Stamps

AMONG the famous writers who are aiding the American Olympic Committee raise the funds to send the U. S. champions to Helsinki, Finland, next summer by autographing the new Olympic Victory Stamps are Sherwood Anderson, George Ade, Lowell Thomas, Louis Bromfield, Edgar A. Guest, Grantland Rice, Admiral Richard E. Byrd, William Beebe, the naturalist; Thomas Mann, Nobel prize winner in literature; and John Kieran, star of "Information Please" and author of an authoritative book about the Olympic games.

Among these authors might also be included Col. Theodore Roosevelt, Jr., president of Doubleday, Doran & Company. Each of these men has autographed 20 of the special unperforated sheets of the new Olympic stamps, which will be presented as tokens of appreciation to donors to the U. S. Olympic fund.

Movie colony celebrities who have autographed these special unperforated sheets, which will be presented to donors as tokens of appreciation for contributions to the fund, include Shirley Temple, Charlie Chaplin, Joe E. Brown, Bing Crosby, Bob Burns, Lowell Thomas, Orson Welles, and Lily Pons. Paul Whiteman, orchestra leader, has also autographed 20 sheets.

## Stamps and Scenery Convention

ONE of the most unusual meetings of philatelists ever held will occur on Friday, Aug. 18th, at the summit of Mount Evans, in the Denver mountain parks system.

It will be the official dedication of the road. There will be a broadcast over a nation-wide hookup, in which prominent philatelists will share honors with public officials of the state and city.

Motion picture cameramen will record the events for the screen, and a newspaper will be published at the summit of the mountain.

This meeting will be a "high" light of the stamps and scenery conventions to be held in Denver and its mountain parks.

Colorado members of the *Pioneer Philatelic Phalanx* will meet at the tomb of Col. William F. Cody (Buffalo Bill) on nearby Lookout Mountain.

The sixth annual convention of the *Trans-Mississippi Philatelic Society* will be meeting in Denver, with the exhibition in the municipal auditorium. The *U. S. Cancellation Club* will hold its first annual meeting simultaneously, and there will be a regional meeting of clubs, affiliated with the *National Federation of Stamp Clubs*.

Every philatelist is invited to attend and participate in all the features of the convention. Further information may be obtained by addressing the chairman, John M. Gardner, P. O. Box 295, Denver, Colo.

Copies of the newspaper—the *Mount Evans Philatelic News*—containing articles from pens of many of the leading writers of the philatelic press, together with convention news, and information of interest, may be obtained free by addressing the chairman. Reserve your copy now. A postcard will suffice.
